Price Structure	You will pay a Fixed Rate.
Generation/Supply Price	Your Fixed Rate will be $0.1559 per kWh. This is not the total amount that you will be charged on your bill. This rate does not include taxes or Electric Distribution Company ("EDC") charges for delivery.
Statement Regarding Savings	You understand that unless you have been offered a Rate, confirmed by Public Power in writing, that expressly provides otherwise, there are no guaranteed savings and your Rate may be higher or lower than the EDC's rate in any given month.
Deposit Requirements	No deposit requirements.
Contract Start Date	Your Renewal Term will begin after your Initial Term or current Renewal Term ends.
Contract Duration/Length	Your Term will be 12 months.
Cancellation/Early Termination Fees	Yes, you will be charged an early termination fee of $50 if you cancel after your rescission period ends and prior to issuance of your second renewal notice.
End of Contract	Public Power will send two separate written notifications prior to the end of the Agreement term and prior to any change in the terms of this Agreement, which will explain your options going forward. You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the change becomes effective. Unless you instruct otherwise, this Agreement will automatically renew as outlined in the renewal notice.
Right of Rescission	You may cancel this Agreement at any time before midnight on the third business day after receiving this Agreement by notifying Public Power at the address or phone number listed above or by service@publicpowercompany.com.
